Our Source of Inspiration

Pioneer of Modern Nursing
Lady with the Lamp
Florence Nightingale
Born : May 12, 1820 at Florence, Italy
Died : August 13, 1910 at London, England

I solemnly pledge myself before God and in the presence of this assembly, to pass my life in purity and to practice my profession faithfully.

I will abstain from whatever is deleterious and mischievous, and will not take or knowingly administer any harmful drug. I will do all in my power to maintain and elevate the standard of my profession, and will hold in confidence all personal matters committed to my keeping and all family affairs coming to my knowledge in the practice of my calling.

With loyalty will I endeavor to aid the physician, in his work, and devote myself to the welfare of those committed to my care.

*To the spirit of Florence Nightingale
the patron saint of all nurses,
please make one watch her step and obey
all the rules and regulations.*

From the Chairman Desk

Dear aspirants,

It is a special pleasure for me to introduce the Maa Kanti School of Nursing Prospectus. This prospectus reflects the program & growth of our School.

Our education has to reach out to all. But more than anything, it has to touch the hearts of the people through the noble profession of Nursing. Hence academic excellence is not just sufficient. It has to go beyond that to treat people as persons, to help them to achieve great heights & to make them good citizens of tomorrow.

I'm glad that our Maa Kanti School of Nursing is focusing on the wholesome development of the human personality by inculcating values & by paying equal attention to the development of the body, mind & spirit.

With this goal in mind, the staff of Maa Kanti School of Nursing strives towards perfecting the minds of the students through an innovative values based curriculum inculcating in them the need to put others before them with the faith that "It is good to do good to all".

I wish the team of students and staff the best & pray for success in all their endeavors.

Ram Sewak Prasad
Chairman

Dear aspirants,

The most fundamental principle in medicine is love and care. Nursing is a noble profession and nursing are committed to love and care for suffering people. The continuing evolution of health care and technology opens new doors for nurses nursing education. It requires caring professionals who will excel in meeting the challenge of a rapidly changing health care scenario.

In Maa Kanti School of Nursing we believe in building on our commitment to excel nursing educational needs. This institute is dedicated to prepare competent and responsible practitioners who are committed to service and leadership as professional nurses.

The curriculum is designed to develop habits of scholarly thinking and to motivate the students to use theoretical and empirical knowledge from nursing and related disciplines. This will enable the students to think critically, communicate effectively and provide professional nursing care in a variety of health care setting. This also facilitate them to assure leadership roles as nurse practitioners and teachers in a wide variety of health care delivery systems. Our faculty is carrying and committed.

The diverse interest and back grounds of the faculty adds richness of the learning experiences. Courses are delivered in a mature seminar style. Our faculties will care for personal attention to each student to integrate their own faith and a deep sense of this into the practice of nursing.

We invite you for a comprehensive nursing educational experience in our institution.

Pankaj Kumar
Secretary Cum M.D.

About the School.

Maa Kanti School of Nursing is a unique nursing school established by its mother organization "Ram Krishna Educational Trust for Youth, Patna Bihar" - is non-profitable Trust, registered with Govt. of Bihar under Trust registration act. The school is recognized by State Nursing Council, Govt. of Bihar. The School is running a full time course in Auxiliary nursing and midwifery (A.N.M.) according to the revised syllabus of Indian Nursing Council, New Delhi. The School has excellent infrastructure with hard working & versatile Principal and a team of dedicate faculty. The school suppose to provide academic excellence and all around personality development to the students of Nursing.

Three good reason to study in this school

1. Education :

The school has a highly appreciated teaching faculty, who believes that good education is the root of a highly successful professional career. The school conducts regular examinations, so that the students have a feedback to work harder to get better. The teaching methods adopted, promote multi disciplinary inquiry and practical applications of problems. Interactive methods of teaching are employed so that there is a high degree of interaction between the students and the teacher in the classroom.

2. Excellence in Professional Field.

The school is run by the Ram Krishna Educational Trust for Youth, Patna Bihar. The entire trust structure consists of people of who are having experience in diverse professional fields such as medicine etc. it is this professional excellence that would make the school and students to realize their excellence in various professional fields.

3. Ethical Values

We strongly believe that the student to be successful, not only needs good education and professional practical experience, but also good ethical values to reach out to the society and serve, we at Patna A.N.M. groom our students in building such values, after which these students blend well with the society thus brining fame to themselves and the institution they studies in.

1. Clinically Experience

The school is attached with Susruta Surgical Clinic, Patna City for clinical practice of students. Besides, Sri Hari Jeevan Health Care and Golwara Hospital, Patna City are also on the penal for providing identical facilities to our student. Community field experience is provide to the students by taking them to attached Primary Health Centre.

2. Transportation

The school has its own fleet of transport buses for providing conveyance to its students for clinical training/school & other field work.

3. Scholarship

The Maa Kanti School of Nursing awards Merit Scholarships to meritorious students scoring distinction in internal exams.

4. Education Loan

Various Commercial Bank finance for undertaking Nursing education by way of 'Study Lone" to the parents of eligible students. Tuition fee paid for professional education is eligible for income tax rebate under sec. 80C of Income Tax Act. The school on its part assist parents of desirous students in raising study loan from commercial banks in various ways.

5. Sports

The students are encourages to take part in indoor and outdoor sports activities and participate in inter school sports competition. The School campus has good play field, suitable for outdoor games.

6. Hostel

The school has Hostel facilities, it shall be the duty of every resident to maintain integrity of character and follow high traditions of discipline set by the school. All residents are expected to return to the hostel by the stipulated time in evening. Violation of the rules will invite heavy monetary fines and if repeated may entail removal from the hostel. Smoking, drinking alcoholic beverages, dealing and consuming prohibited drugs immoral conduct entertaining unauthorized guests and disturbing other inmates are punishable as violation of hostel discipline. The hostel boasts of a hygienic modern kitchen which caters to the needs of the hostel inmates.

7. Library

As a matter of fact, a well organized library is a window from where one can view the whole world. The Library of the school has its unique distinction of having over 10,000 volumes comprising of various medical and general books of foreign and Indian authors, reference books, journals etc, which inspire our student for making an all round success in different walks of life.
